

## Author Agreement and Copyright form

If your paper has been accepted for publication, please print out this Author Agreement form, which should be signed after reading the **Explanatory Notes** below and forwarded to the Editor, together with the final version of your paper.

So that we can ensure both the widest dissemination and protection of material published in Helix, we ask authors to assign world-wide copyright in both print and other media in their papers, including abstracts, to Helix. This enables us to ensure copyright protection against infringement, and to disseminate your article, and our issue, as widely as possible.

1. In consideration of the undertaking set out in paragraph 2, and upon acceptance by Helix for publication, the Author grants to Helix, subject to paragraph 5, the exclusive right and license to publish the Article entitled:

.....

to be published in Helix (ISSN 2277-3495)

This license includes the right to publish (subject to paragraphs 3 and 4), including the right to sub-license appropriate publishing or distribution rights, the material in the article in both printed and electronic form; the Article may be published in printed, online, CD-ROM, microfiche or in other media formats.

2. Helix hereby undertakes to prepare and publish the Article named in paragraph 1 in the Journal, subject only to its right to refuse publication if there is a breach of the Authors warranty in paragraph 5 or there are other reasonable grounds; in such case Helix assigns to the Author any and all copyright and other rights in the Article otherwise assigned to it under this Agreement.

3. The Editor of the Helix is empowered to make such editorial changes as may be necessary to make the Article suitable for publication. Every effort will be made to consult the Author if substantive changes are required.

4. The Author hereby asserts his/her moral rights under the Indian Copyright Designs and Patents Act to be identified as the Author of the Article.

5. The Author warrants that the Article is the Authors original work, has not been published before, and is not currently under consideration for publication elsewhere; and that the Article contains no libelous or unlawful statements and that it in no way infringes the rights of others, and that the Author, as the owner of the copyright, is entitled to make this assignment.

Helix reserves the right to refuse to publish your Article where its publication creates legal liability, or where circumstances come to light that were not known to the Editor, including prior publication, conflict of interest, manifest error etc. Helix is the ultimate custodian of academic quality and integrity, and will ensure that this will be done only in exceptional circumstances and on reasonable grounds. In such circumstances the Article will be returned to the Author together with all rights in it.

Thank you for reading these notes. This assignment will enable Helix to ensure that the Article will reach the optimum readership.
